OBJECTIVE

Passionate iOS developer dedicated to crafting user-friendly, innovative mobile applications and leveraging technology to create impactful digital experiences, with a focus on solving real-world problems and exploring the limitless possibilities at the intersection of technology and creativity.

CAREER HIGHLIGHTS

- Experienced Mobile Application Developer with over 2.5+ years of expertise in iOS development, specializing in crafting high quality, user-friendly mobile applications and delivering seamless user experiences.
- Proficient in iOS Development (Swift and UIKit) with extensive experience in end-to-end project execution, application maintenance, and support. Successfully developed and deployed numerous projects during my tenure at Amin Softtech LLP.
- Skilled in Collaborating with Technical Teams to execute multiple concurrent projects, ensuring timely delivery and adherence to quality standards while addressing client-specific requirements.

PROFESSIONAL EXPERIENCE

- Developing mobile applications using Swift and UIKit, ensuring high-quality code and seamless user experiences.
- Collaborating with team members on system design, integration, and application development while maintaining clear and effective communication in all aspects, including client interactions.
- Managing client calls to understand requirements, provide updates, and ensure alignment with project goals.
- Demonstrating commitment to project success by dedicating extra time when needed to meet tight deadlines and deliver results.

SKILLS

- Domain: iOS Application Development
- Programming Languages: Swift
